Attention: Office of Petitions

Dear Sir:

Re: United States Patent No. 6,648,330
Title: THREE DIMENSIONAL PUZZLE
Applicant: Michael Porter

Further to the Decision on Petition dated November 30, 2010, please find enclosed our Fee Transmittal form and the Petition for Reconsideration Under 37 C.F.R. 1.378(e) dated January 18, 2011. Please charge our deposit account No. 040752 in the amount of \$400.00 on behalf of the applicant. (The Commissioner is hereby authorized to charge payment of any additional fees associated with this communication or credit any overpayment to our Deposit Account No. 040752).

In the Petition for Reconsideration, the Petitioner has provided a showing of unavoidable delay resulting from financial hardship. As has been set out in the petition, the Petitioner's annual income from November, 2007 to July, 2009 was approximately \$13,500.00 CAD, from July, 2009 to March, 2010 the annual income amounted to approximately \$16,000.00 CAD and since March, 2010, the Petitioner's annual income is approximately \$18,600.00 CAD. These amounts were below the Low Income Cut Off or Poverty level established by Statistics Canada, an agency of the federal Canadian Government. At all times during these periods after payment of the Petitioner's monthly rent, Petitioner had between \$700 CAD and \$800 CAD per month available for all other expenses, including food, transportation and clothing. Petitioner had no commercial credit arrangements, including bank loans or credit cards and

had been unable to obtain same due to a poor rating. It was only in 2010 that Petitioner was able to obtain a loan of funds from his mother to cover the costs associated with the revival of the patent for unavoidable delay in payment of the maintenance fee.

It is respectfully submitted that Petitioner had presented a sufficient showing of unavoidable delay resulting from financial hardship. The petition for reconsideration filed herewith clearly demonstrates that the Petitioner's financial condition, including income, expenses and obligations made the delay from November, 2007 unavoidable.

We look forward to a favourable decision on the petition for reconsideration.

Respectfully submitted,

John C. Jeffrey

PETITION FOR RECONSIDERATION UNDER 37 C.F.R. 1.378(e)

Honourable Commissioner of Patents and Trademarks
Washington, D.C. 20231
U.S.A.

Dear Madam/Sir:

It is respectfully requested that the decision to dismiss the Petition to accept the delayed payment of a maintenance fee for the above-identified patent dated November 30, 2010, be reconsidered in accordance with the provisions of 37 C.F.R. 1.378(e).

GROUND FOR THE REQUEST FOR RECONSIDERATION

1. In the decision the petition was dismissed as the Petitioner had not presented a sufficient showing of unavoidable delay resulting from financial hardship. In particular, it was requested that Petitioner provide verified copies of available documents or records covering the period from November 18, 2007, to the filing of a grantable petition.
2. Throughout the period from November 18, 2007 to present, Petitioner has had only one bank account, a savings account with the The Bank of Nova Scotia, at 110 Spadina Avenue, Toronto, Ontario, Canada, M5V 2K4. Petitioner had no other bank accounts and no credit card accounts. In addition, Petitioner had no other commercial credit arrangements, including bank loans. Petitioner has been unable to obtain bank loans or credit cards due to a poor credit rating.
3. Petitioner has attached printouts of the monthly activity on his savings account with The Bank of Nova Scotia, verified by the Bank of Nova Scotia covering the period of November, 2007 to December, 2010, as Exhibit "A". These statements show all activity of Petitioner's bank account over that period.
4. From the period of November, 2007 to the present time, Petitioner's major source of income was Income Support provided by the Ministry of Community and Social Services of the Government of Ontario through the Ontario Disability Support Program (O.D.S.P). The O.D.S.P. Income Support Program helps people with disabilities who are in financial need pay for living expenses, like food and housing.

5. These O.D.S.P. payments were deposited directly into Petitioner's bank account on or about the last day of each month and are shown in the monthly activity printouts by the Transaction Description "ONT-O.D.S.P.". From November, 2007 to June, 2008, the payment was \$1054 Canadian Dollars (CAD) monthly. From July, 2008 to October, 2008 the amount was \$1009 CAD monthly. From November, 2008 to October, 2010, the amount was between \$1021 and \$1097 CAD monthly. Since November, 2010, the amount has been \$1108 CAD monthly.

6. Petitioner's only other regular source of income has been Federal sales tax credits provided on a quarterly basis. These sales tax credits have been between \$82.16 CAD and \$84.04 CAD quarterly over the relevant period.

7. Petitioner's monthly rent, including utilities was \$450 CAD per month from November, 2007 to November, 2009 which left less than \$700 CAD per month available for other living expenses, including food, transportation and clothing.

8. Since August, 2009, Petitioner's mother, Thelma Fargher of Victoria, B.C. has been providing \$200 CAD monthly to help offset Petitioner's living expenses. Since March, 2010, Petitioner's sister, Anne Fargher of Toronto, Ontario has also been providing \$250 CAD monthly to help offset living expenses.

9. In November, 2009, Petitioner was forced to relocate his lodging. Since November, 2009 Petitioner has been paying \$700 CAD per month for rent, including utilities. With the additional funds provided by Petitioner's mother and sister, Petitioner now has approximately \$800 CAD per month to cover these other living expenses.

10. From the period November 2007 to July 2009, Petitioner's annual income was approximately \$13,500 CAD. With the additional funds from Petitioner's mother and sister Petitioner's annual income is now approximately \$18,600. As shown in Exhibit "B", according to Statistics Canada, the low income cut-off or poverty level in Toronto, an urban area of over 500,000 was \$18,421 CAD in 2009 for a single person.

11. Based on all of the facts set out above, Petitioner did not have the funds necessary to maintain his patent and was unable to obtain such funds through loans or credit.

12. As stated in my previous statement, in March, 2010, the Petitioner contacted Mr. John Jeffrey of Dennison Associates, Petitioner's Agent, in an attempt to sell or license the patent and was informed that the patent had expired for non-payment of the maintenance fee. At that time, Mr. Jeffrey advised the Petitioner of the procedure to petition for reinstatement and the costs associated with the Petition.

13. Petitioner contacted both his mother and his sister to inquire whether they would be able to provide the funds necessary to reinstate the patent. In April, 2010, Petitioner obtained a loan from his mother, Thelma Fargher of B.C. in the amount of \$2000 CAD to cover costs associated with the revival and potential sale of Petitioner's U.S. Patent. The funds were deposited in Petitioner's bank account on April 26, 2010.

14. Petitioner contacted Mr. John Jeffrey in June, 2010 and provided the funds loaned to Petitioner to prepare the Petition to accept the delayed payment of the Maintenance Fee.
15. In early July, 2010, Mr. Jeffrey prepared a draft of the statement for the Petitioner to review with the Petitioner. Upon his return from summer vacation, in mid August 2010, Mr. Jeffrey reviewed the petition with Petitioner and the Petition was finalized and filed on September 9, 2010.
16. Petitioner was informed of the decision on the Petition in early December, 2010, and has been working to obtain the necessary supporting documentation and on the preparation of the Request for Reconsideration.
17. Petitioner requests that this Petition for Reconsideration be Granted and the delayed payment of the Maintenance Fee be accepted and the Patent be reinstated.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Signed at Toronto, Ontario, Canada, January 28, 2011.
